

# Beep Beep (Bubble Car song) (The Playmates, Cicchetti & Claps 1958)

2/4 Time

## Verse 1 (slow):

[F] [C7] [F] [C7] While [F] riding [C7] in my [F] Limous-[C7]-ine, [F] what to [C7] my sur-[F]-prise   
[F] A little Bubble [C7] Car was [F] following [C7] me  
a-[F]-bout one [C7] third my [F] size  
The [Bbm6=0111] guy must have wanted to [F] pass me out  
as he [Bbm6] kept on tooting his [F] horn   
[F] I'll show him [C7] that a [F] Limous-[C7]-ine is [F] not a [C7] car to [F] scorn

## Chorus:

[F] Beep-beep  beep-[C7]-beep .. His [F] horn went [C7] beep, beep, [F] beep 

## Verse 2 (a bit faster):

[F] I pushed my [C7] foot down [F] to the [C7] floor  
to [F] give the [C7] guy the [F] shake   
[F] But the little Bubble [C7] Car stayed [F] right be-[C7]-hind  
He [F] still had [C7] on his [F] brake   
[F] He [Bbm6] musta thought his car [F] had more guts as he [Bbm6] kept on tooting his [F] horn   
I'll [F] show him [C7] that my [F] Limous-[C7]-ine is [F] not a [C7] car to [F] scorn

## Chorus:

[F] Beep-beep  beep-[C7]-beep .. His [F] horn went [C7] beep, beep, [F] beep 

## Verse 3 (faster):

[F] My car went [C7] into [F] passing [C7] gear and [F] we took [C7] off with [F] gust  
[F] Soon we were [C7] going [F] ninety [C7]  
[F] musta left him [C7] in the [F] dust  
When I [Bbm6] peeked in the mirror [F] of my car  
I [Bbm6] couldn't believe my [F] eyes  
[F] The Bubble [C7] Car was [F] right be-[C7]-hind  
I'd [F] think that [C7] guy could [F] fly

## Chorus:

[F] Beep-beep  beep-[C7]-beep .. His [F] horn went [C7] beep, beep, [F] beep 

## Verse 4 (faster):

[F] Now we were [C7] doing a [F] hundred and [C7] ten, this [F] certainly [C7] was a [F] race  
[F] For a Bubble to [C7] pass a [F] Limo, [F] would be a [C7] big dis-[F] -grace  
The [Bbm6] guy must have wanted to [F] pass me out  
as he [Bbm6] kept on tooting his [F] horn   
[F] I'll show him [C7] that a [F] Limous-[C7]-ine is [F] not a [C7] car to [F] scorn

## Chorus:

[F] Beep-beep  beep-[C7]-beep .. His [F] horn went [C7] beep, beep, [F] beep 

## Verse 5 (very fast):

[F] Now we're [C7] going a [F] hundred and [C7] twenty as [F] fast as [C7] I could [F] go  
[F] The Bubble [C7] pulled along [F] side of [C7] me  
as [F] if we were [C7] going [F] slow  
The [Bbm6] fella rolled down his [F] window and [Bbm6] yelled for me to [F] hear..  
Hey [Bbm6] buddy how can I [F] get this car  
[C7] OUT OF [Bbm6] SEC.. [C7] OND [F] GE .. [F] AR? [E] [C7] [E]
