

Somewhere my Love. Lara's theme, from "Dr Zhivago". 1965

6/8 timing. Count in. 1 2 3 1 2 3

[G] Somewhere, my love, there will be songs [Gdim] to [D7] sing
[Am7] Although the [D7] snow, [Am7] covers the hope of [G] spring;

[G] Somewhere, a hill, blossoms in green [Gdim] and [D7] gold,
[Am7] And there are [D7] dreams, [Am7] all that your heart can [G] hold.

[C] Someday, we'll meet again, my [G] love,
[Bb] Someday, whenever the [F³] spring [Bb³] breaks [D7] through.

[G] You'll come to me, out of the long [Gdim] a-[D7]-go,
[Am7] Warm as the [D7] wind, [Am7] soft as the kiss of [G] snow;

[G] Till then, my sweet, think of me now [Gdim] and [D7] then;
[Am7] God speed, my [D7] love, [Am7] til you are [D7] mine a-[G]-gain.

Optional Verse

[Gm] Where are the beautiful [D7] days?
[Cm] Where are the slay rides till dawn?
[G7] Where are the tender [Cm] moments of splendor?
[G7] Where have they gone? [Am7] Where have they [D7] gone?
