

In the Darkness - OPDF

Harvey Andrews

Key of C

Intro: [C] [C] [C] [C]

[C] In the darkness [C] of the night
I [C] sometimes wonder [C7] was I right
To [F] leave you, love, with-[F]-out a smile
With-[C]-out a word [C] when all the while
It [G] hurt inside to [G] say goodbye
As [F] you begged for a-[F]-nother try
At [C] loving me [C] _ _ _ And [G] pleasing me [G] _ _ _

But [C] though I tried to [C] need you still
I [C] fought a battle [C7] 'gainst your will
To [F] tie me down and [F] make me stay
To [C] keep the hills and [C] seas at bay
To [G] make of me an [G] only man
A [F] loving but a [F] lonely man
Meant [C] just for you [C] _ That's what you [G] try to do [G] _ _ _

Instrumental Verse:

But [C] though I tried to [C] need you still
I [C] fought a battle [C7] 'gainst your will
To [F] tie me down and [F] make me stay
To [C] keep the hills and [C] seas at bay
To [G] make of me an [G] only man
A [F] loving but a [F] lonely man
Meant [C] just for you [C] _ That's what you [G] try to do [G] _ _ _

And [C] now within an [C] empty day
I [C] feel an ache a-[C7]-bout the way
I [F] left you and I [F] said goodbye
In [C] case we meet and [C] want to try
A-[G]-gain, my love, to [G] build a wall
To [F] keep out every-[F]-thing but all
Our [C] love could mean [C] _ Oh, what our [G] love could mean [G] _ _ _

So [C] in the darkness [C] of the night
I [C] sometimes wonder [C7] was I right
To [F] leave you, love, with-[F]-out a smile
With-[C]-out a word [C] when all the while
It [G] hurt inside to [G] say goodbye
As [F] you begged for a-[F]-nother try
At [C] loving me [C] _ _ _ And [G] pleasing me
[G] _ _ _ And [F] pleasing meeee-[F]-eee [C] [C ↓] [F ↓] [C ↓]
